TRANSMITTAL OF SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir/Madam:

In accordance with 37 C.F.R. 1.56 and 1.97, Applicant hereby discloses to the Patent Office patents, publications or other information of which Applicant is aware. A copy of the foreign patent documents and/or non-patent literature documents, if any, along with an Information Disclosure Statement, is submitted herewith.

The items identified in this Information Disclosure Statement may or may not be "material" as defined in 37 C.F.R. 1.56, and the submission thereof by Applicant is not to be construed as an admission that any such patent, publication or other information referred to is material or considered to be material (37 C.F.R. 1.97(h)), or even qualifies as "prior art" under 35 U.S.C. 102 with respect to the present invention unless specifically designated by Applicant as such. Identification of any reference or patent herein is not an admission, nor is it to be construed as an admission, that it was invented prior to the invention disclosed herein.

The filing of this Information Disclosure Statement is not to be construed to mean that a search has been made or that no other material information, as defined in 37 C.F.R. 1.56, exists.

Foreign Language References. To fulfill the requirement for a concise explanation of the non-English language references, Applicant submits English language translations of the abstracts, which are attached electronically to the first page of the respective reference. The abstract translations for DE 19502728, DE 19543843 and EP 0459344 were found on the Internet at espacenet via the EPO at <http://ep.espacenet.com>. In accordance with 37 C.F.R. 1.97(b)(3) no fee is enclosed, since the Information Disclosure Statement is being filed before the mailing date of a first office action on the merits. However, the Director is authorized to charge any additional fee(s) or any underpayment of fee(s) or credit any overpayment(s) to **Deposit Account No. 50-3001** of Kyocera Wireless Corp.
